

Colorado State Courts Data Access

Privacy/Disclaimer Notice

Colorado State Courts Data Access is the official public access site for the Colorado Judicial Department and is maintained by the Colorado State Court Administrator's Office. This site is intended only for electronic read-only access to court data, including the name index and register of actions. Any unauthorized attempts to upload or otherwise tamper with the information contained in this database is strictly prohibited and may be subject to criminal prosecution including under the Computer Fraud and Abuse Act of 1984 as amended.

Use of this database is monitored by the Office of the State Court Administrator through audits, review of ad hoc queries, and reports. When a user obtains information through the Colorado State Courts Data Access system, the web server automatically collects and stores the Internet Protocol address and domain name used. The server also gathers and stores the type of browser and operating system used to access the site. Other information collected includes a user's login ID, the dates and times of a user's access, all case searches, and all name/business searches. Any information collected is used to maintain database security, create management reports, and ensure the accuracy of billing inquiries.

Several Colorado State Courts Data Access screens have a link to the Denver City & County Court. When you link to the Denver City and County Court, you are no longer on the Colorado State Court Data Access site.
